

The background is a solid red color. A large, stylized white letter 'N' is centered on the page. The 'N' is composed of several geometric shapes: a large white triangle on the left, a white vertical bar in the middle, and a white triangle on the right. The top and bottom of the 'N' are rounded. The red background is visible in the top-left, top-right, and bottom-right corners, while the white 'N' fills the rest of the space.

# Nitro Reader 3

## Release Notes

## Nitro Reader 3 Release Schedule

- RAM: 1GB system memory
- Storage: 300MB of available hard drive space
- CPU: Intel Pentium® 4 and above.
- Display: 1024x768 screen resolution
- Additional requirements:
  - Microsoft .NET Framework 2.0 (or above)
  - Microsoft Office 2003 or newer (for Office integrated features)
  - Addins are not compatible with 64-bit versions of Microsoft Office 2010

### Install Procedure

(Administrative privileges are required to complete the installation)

1. Download the installer and double-click to run it
2. Click Next to accept the license agreement, and follow the prompts by clicking Next
3. Click Install to begin the install process, and then click Finish when complete

### Uninstall Procedure

(Administrative privileges are required to complete the installation)

1. In the Windows Start Menu, select Control Panel
2. In the Control Panel, click on Add/Remove Programs (Windows XP), or Programs and Features (Windows Vista / 7)
3. In the list of installed programs, right-click Nitro Reader 3 and then click Uninstall
4. The uninstall process will prompt you if any running applications must be closed, and will then remove Nitro Reader 3
